'Tufunga Mo E Faiva Lea Heliaki': a book that celebrates the Tongan Language Week and provides insights into traditional Tongan language practices. The book was published in 2007 and is authored by Okusitino Mahina and Kolokesa Uafa Mahina-Tuai. It features a collection of Tongan proverbs, reflecting on both the breadth and depth of Tongan language and culture. The book is a valuable resource for anyone interested in Tongan language and its rich cultural heritage.
