Designing Manifest Hope And The Campaign For Change

Art For Obama: Designing Manifest Hope and the Campaign for Change is a 2009 art book dedicated to the United States presidency of Barack Obama. Art for Obama: Designing Manifest Hope and the Campaign for Change is the latest volume in a series of books that have been published by Abrams Books. The book is designed to capture the spirit of the campaign and to provide a visual record of the campaign's activities. The book includes a mix of images, including photographs, illustrations, and paintings, as well as written material, including essays and interviews. The book is a tribute to the campaign and to the candidates. It is also a reminder of the power of art in politics.
