Auditing: Theory And Practice In New Zealand

Michael J Pratt; Karen Van Peursem

Now in its 6th edition, Auditing: Theory and Practice in New Zealand continues to provide tertiary students of auditing with a comprehensive introduction to the profession. This book is designed to provide practical skills and knowledge for the auditor within a theoretically informed context.

The book is authored by Karen Van Peursem and Michael Pratt, who have a wealth of experience in the auditing field. They have contributed to the field through their research and teaching, and their expertise is evident in the content of the book.

Auditing: Theory and Practice in New Zealand is an essential resource for students and professionals alike. It covers a wide range of topics, from the theoretical foundations of auditing to practical aspects such as ethical considerations and legal frameworks.

The book is highly regarded for its clear and concise explanations, making it accessible to students with varying levels of prior knowledge. It is also praised for its up-to-date content, which is regularly updated to reflect changes in the auditing landscape.

Auditing: Theory and Practice in New Zealand is an excellent choice for anyone looking to expand their knowledge and skills in auditing. Whether you are a student or a practicing auditor, this book is a valuable resource that will enhance your understanding of the field.
