Closely Held Business Organizations: Cases, Materials, And Problems

Robert A Ragazzo; Frances S Fendler

Closely Held Business Organizations: Cases, Materials, and Problems is a comprehensive study of the law of closely held businesses, incorporating more real-world materials, and equity LPs. It combines Chapters 6 and 7 of Business Associations: Cases, Materials, and Problems with Professor Robert Ragazzo. This statutory supplement focuses on closely held businesses, including agency, general partnerships, close corporations, limited partnerships, limited liability. It offers numerous problems throughout the casebook to help students apply closely held business organizations concepts. Available at Amazon.com, Book Depository, and BookRenter.com. This edition is the only casebook on the market to provide a comprehensive study of the law of closely held business organizations.
