Dialogue On Early Childhood Science, Mathematics, And Technology Education

Project 2061 (American Association for the Advancement of Science)

Dialogue on early childhood science, mathematics, and technology. Educators, scholars, and researchers in the United States convened at the Forum on Early Childhood Science, Mathematics, and Technology Education to:

- Discuss and analyze the current state of early childhood science, mathematics, and technology education in the United States.
- Identify key issues and challenges in early childhood science, mathematics, and technology education.
- Develop recommendations and strategies to improve the quality and effectiveness of early childhood science, mathematics, and technology education.

Dialogue on Early Childhood Science Education: In-Project 2061 Handbook of Child Development and Early Education: Research to Practice. - Google Books Result

Publications AAAS - The World's Largest General Scientific Society and its members are united in their commitment to advancing scientific knowledge and promoting the use of science to address the needs of society.
