Peter is rescued by an old Native Dreamspeaker and his mute companion. Through their teachings, Peter learns to understand and communicate with the spirit world. The Dreamspeaker's knowledge helps Peter to navigate the challenges of his life and understand the hidden meanings of his dreams.

In the novel, Dreamspeaker by Cam Hubert, the main character, Peter Braxton experiences many changes, due to the presence or absence of love that a child needs. The book explores the themes of love, loss, and the power of dreams.

The Dreamspeakers are eternal, but as new as the last dawn -- an enduring Legacy that the so-called Primals say calls certain souls. That is why it exists in all Dream Speaker Series - I Have A Dream Foundation Ian Tracey plays 11-year-old Peter, who is plagued by demons and sent to an institution for setting fires. Peter escapes and hops a freight train headed into the night.

The novel Dreamspeaker has been well-received by readers and critics alike. It is an extremely accessible read, even for my at-risk and struggling readers, Cameron immediately draws the reader into the story.
