Fundamentals Of California Litigation For Paralegals

Marlene A Maerowitz; Thomas A Mauet

Fundamentals Of California Litigation For Paralegals offers a complete understanding of the litigation process from the time the client walks into the office through the trial and beyond. This 5th edition covers the latest developments in California litigation, including recent cases, changes in procedure, and new statutes. It is an essential resource for paralegals working in California law firms and government agencies.

The new edition includes:
- Updated material on civil litigation, including new cases and developments
- New chapters on electronic discovery and social media evidence
- Expanded coverage of California Civil Procedure
- Updated material on California Evidence
- New and updated examples and exercises

This book is ideal for paralegals working in California law firms and government agencies, as well as law students and other legal professionals who need a comprehensive understanding of California litigation.
