Hamlin Garland: A Bibliography, With A Checklist Of Unpublished Letters

Keith Newlin

Selected Letters of Hamlin Garland - University of Nebraska Press

Hamlin Garland was an incredibly prolific author, producing more than forty books. His works cover a wide range of topics, including social issues, rural life, and the American West. His writing often reflected his experiences growing up in rural Wisconsin and his later life in the American Midwest.

Hamlin Garland's bibliography is a valuable resource for scholars and students interested in his work. It provides a comprehensive list of his published and unpublished letters, as well as a summary and bibliographical checklist. This resource is essential for anyone studying Garland's life and work, and it serves as a testament to his enduring legacy as a writer and intellectual.
