Issues In Accounting: A New Zealand Perspective

Keith Hooper

We invited New Zealand schools (teachers and principals) to submit short written accounts of their perspective. You can read more about this work in Principles for a future-oriented education system from the 2011-2012 issue of New Zealand Annual NZC Update 26 - New Zealand Curriculum Online - Te Kete Ipurangi 13 Jun 2014. J Barrett and J Veal “Land Taxation: A New Zealand Perspective” (2012) Taxation Issues: Existing and Emerging Christchurch NZ: Centre for
