Local journalism and local media: making the local news in... Bringing together media academics, local journalists and other media professionals, this text presents a thorough, up-to-date and authoritative account of recent developments... The treatment of local news is the focus of the study, and it situates the research within the context of local, national and multi-national media. The book includes a range of case studies and examples from around the world, as well as interviews with local journalists and media professionals... The book concludes with a discussion of the future of local journalism, considering the impact of new technologies and new media on the practice of journalism...
