
Bernard Nesfield-Cookson

Michael and the Two-horned Beast: The Challenge of Evil Today in the Light of Rudolf Steiner's Science of the Spirit, presents an epic picture of the forces of 'good' and 'evil'. The author, basing his work on Rudolf Steiner's teachings, presents an apocalyptic vision of evil and darkness, as well as the struggle for good. This book is a valuable resource for those interested in spiritual science and the logic of the heart.
