Paula Rego

John McEwen ; Paula Rego

Paula Rego: The Last King of Portuguese Art in London - Time Out Jan 25, 2013 . It is," says Paula Rego, "as empty as you can get." For a moment, I'm not sure if she's joking, but she isn't. I've just asked her how long she's been living in London. She's been here for about ten years, she says, and she's really enjoying it.

She trained at the Slade School of Fine Art. There she met the English painter Victor Willing (1928–88) They started living together and had two children, but eventually the relationship ended. Paula Rego went on to become one of the most influential artists of her generation.
