Some people call me Tarzan in my big, big sweats. Don't know what the hell that means. But they have it all wrong. They think I'm some kind of animal. I'm not. I'm a human being, just like you. I've been through a lot of things in my life. I was born in a lumber camp in Washington state. I was an Olympian and a movie star. I played the role of Tarzan in two movies. I was known as Bruce Bennett in my early film career. I've been through a lot of ups and downs. But I'm still here, still standing. And I'm proud to be called Tarzan.
