Politics In China: Moving Frontiers

Francoise Mengin; Jean-Louis Rocca

China Review International, Volume 11, 2004 - Table of Contents

The contributors explore the moving frontiers between other spheres as well, such as rural and urban populations, internal evolution and external influence, and future challenges.

Description: Politics in China: Get this from a library! Politics in China : moving frontiers. [Francoise Mengin; Jean-Louis Rocca] Amazon.fr - Politics in China: Moving Frontiers - Francoise Mengin Journal of Politics and Law. Since the 1990s, Chinese government has accelerated the legalization and standardization of political systems and institutions to keep up with the modernization pace. In the realm of grassroots politics, the concept of grassroots politics has been widely accepted and has become a hot topic in political research. The contributors explore the moving frontiers between other spheres as well, such as rural and urban populations, internal evolution and external influence, and future challenges.
