Popular Politics, Riot And Labour: Essays In Liverpool History 1790-1940

John Belchem; University of Liverpool

Popular Politics, Riot and Labour: Essays in Liverpool History 1790-1940 is a collection of essays that explore the political, social, and economic changes that occurred in Liverpool during the late 18th and early 20th centuries. The essays cover a variety of topics, including the role of the working class, the impact of the Industrial Revolution, and the influence of political events on Liverpool's development.

The book is edited by John Belchem, an expert in Liverpool history, and includes contributions from a range of scholars who provide a comprehensive overview of Liverpool's history. The essays are based on thorough research and provide insightful analysis of Liverpool's past.

The book is particularly useful for students and researchers interested in Liverpool's history, as well as for anyone interested in the history of the British working class and the development of the Industrial Revolution.
