Re-energizing The Corporation: How Leaders Make Change Happen

Jonas Ridderstråle; Mark Wilcox

Energizing the Corporation: How Leaders Make Change Happen

Following the success of ReEnergizing the Corporation I am inspired to write more. The focus of the next book is getting more from organisational change, Re-energizing the Corporation: How Leaders Make Change Happen

Re-energizing the Corporation: How Leaders Make Change Happen

Some business books ask why. Others tell you how. Uniquely and powerfully, this book explains why you must lead change and how to do it. Re-energizing the Corporation: How Leaders Make Change Happen

Contents. About the authors
