Regulating Cartels In Europe

Christopher Harding ; Julian Joshua

Regulating Cartels in Europe: A study of Legal Control of Corporate Delinquency in the EU, addressing important issues such as the regulation of cartels and the historical development of cartel regulation in Europe, comparing the pragmatic and empirical approach traditional in Europe with the more dogmatic approach. The book provides a critical discussion and analysis of the area of European Union chapter - Slaughter and Joshua: Regulating Cartels in Europe. The regulation of cartels has become a central priority of the European Commission, and a cornerstone of EU competition law. The book addresses important questions regarding the regulation of cartels and the legal control of corporate delinquency in Europe.
