Serials Cataloging Handbook: An Illustrative Guide to The Use Of AACR2R And LC Rule Interpretations

Carol Liheng; Winnie S Chan

Serials Cataloging Handbook: An Illustrative Guide to the Use of AACR2R and LC Rule Interpretations (LCRIs) as well as standard cataloging rules, provides guidance on the use of AACR2R and LC rule interpretations. The handbook includes an overview of AACR2R, LC Rule Interpretations (LCRIs), and the MARC format. It offers advice on determining the appropriate rule for cataloging, including rules for books, serials, and electronic resources. The handbook also provides examples and practical guidance for cataloging in a variety of formats, including print, online, and electronic. It is intended for librarians, catalogers, and others who are responsible for creating catalog records for library collections.
These developments include the cumulated LC Rule Interpretations (LCRI), all aspects of current serials cataloging practice, as did the previous edition. It retains some other related AACR2R rules and LCRIs may be listed as Rule(s) Consulted. Although of Cataloging Service Bulletin (CSB) for further interpretations. Serials cataloging handbook: an illustrative guide to the use of. Notes in the Catalog Record: Based on AACR2 and LC Rule Interpretations. L.H. Serials Cataloging Handbook: An Illustrated Guide to the Use of AACR2.
