Persons recognized by UNHCR as refugees are permitted to remain pending Shadow Plays: The Crisis of Refugees and Internally Displaced Persons in Indonesia. The Crisis of Refugees and Internally Displaced Persons in Indonesia is a study by the United Nations High Commissioner for Refugees (UNHCR). It examines the situation of refugees and internally displaced persons (IDPs) in Indonesia and provides recommendations for improving their protection and assistance. The report highlights the need for international cooperation and support to address the needs of millions of people who have been forced to flee their homes due to conflict and violence. The report also calls attention to the importance of addressing the root causes of displacement and promoting durable solutions for refugees and IDPs. The report is a comprehensive analysis of the crisis of refugees and IDPs in Indonesia, offering insights into the challenges faced by these communities and the need for urgent action to ensure their well-being and social inclusion.
