Snakes Of The Orient: A Checklist

Kenneth R. G. Welch

Venomous snakes of the world: a checklist - HathiTrust Digital Library
Result Snakes of the Orient: A Checklist

The Orient has for many years been greatly neglected by herpetologists, compared to the rest of the world. Presented in this book, to be used as encouragement: Snakes of the Orient: A Checklist is a comprehensive list of the snake fauna of the Orient as a whole (Pakistan east to China, south through Asia, to include). A Field Guide to the Reptiles of Thailand - Google Books
