Surfactant-enhanced Subsurface Remediation: Emerging Technologies

David A. Sabatini; Robert C. Knox; Jeffrey H. Harwell; American Chemical Society

Surfactant-enhanced Subsurface Remediation. - Google Books
Result: Surfactant-Enhanced Subsurface Remediation - ACS Symposium. Surfactant-enhanced subsurface remediation is being evaluated as an innovative technology for expediting. based subsurface remediation technologies (Sabatini et al., Enhanced Subsurface Remediation: Emerging Technology, D. Soil and Aquifer Pollution: Non-Aqueous Phase Liquids. - Google Books
Result: Keywords: Soil flushing; Soil remediation; Surfactant; Metals; Field studies. Engineering Enhanced Subsurface Remediation, Emerging Technologies. Surfactant-enhanced remediation of subsurface contamination - Agris
Result: Design of a Surfactant Remediation Field Demonstration. - Nwga.org
