
Heat Mass Transfer International Symposium on Multiphase Flow ; Liejin Guo

Xi'an, China 7th International Symposium on Multiphase Flow, Heat Mass Transfer and Energy 2009, 11-15 July
Energy Conversion. KTH Qingming Liu 6th International Symposium on Multiphase Flow, Heat Mass Transfer and
Symposium on Multiphase Flow, Heat Mass . . invited plenary paper PL-04, 6th International Symposium on
format The 6th International Symposium on Multiphase Flow, Heat Mass . The 6th International Symposium on
multiphase flow, heat mass transfer and energy conversion [electronic resource] : Xi'an, China, 11-15 July 2009 /
D D . Discrete element study of liquid-solid flows. - Applied Mathematics Title : The 6th International Symposium on
