The Business Writer's Handbook

Charles T Brusaw; Gerald J Alred; Walter E Oliu

The Business Writer's Handbook by Gerald J. Alred, Charles T. Brusaw, Walter E. Oliu Welcome to the Student Site for The Business Writer's Handbook, a companion site for The Business Writer's Companion, 7th Edition; The Business Writer's Handbook, Tenth Edition; and The Business Writer's Handbook, Eleventh Edition. This site provides additional resources, including study guides, a glossary, and a list of business writing topics. The Business Writer's Handbook is a comprehensive yet concise guide to business writing, with a focus on real-world applications. It covers topics such as business correspondence, reports, proposals, and presentations, and provides practical advice on how to write effectively in a business context. The handbook is designed to help students and professionals alike develop their business writing skills. The Student Site for The Business Writer's Handbook offers a variety of resources to support learning, including sample business writing assignments, a glossary of business writing terms, and links to additional reading materials. Whether you are a student or a professional, The Business Writer's Handbook is an essential resource for anyone who needs to write effectively in a business environment.
