The Java Tutorial Continued: The Rest Of The JDK

Mary Campione; Kathy Walrath; Alison Huml

The Java™ Tutorial Continued: The Rest Of The JDK provides accurate, up-to-date coverage of features added to the original core Java platform. Written by the experts, The Java Tutorial Continued employs a hands-on, self-paced, example-driven approach. This book concentrates on JDK 1.2 APIs but also provides comprehensive coverage of features added to the original core Java platform. Employing a hands-on approach, this book teaches how to construct GUIs.
