The Java Tutorial Continued: The Rest Of The JDK

Mary Campione; Kathy Walrath; Alison Huml

The Java™ Tutorial Continued The Rest Of The JDK provides accurate, up-to-date coverage of features added to the original core Java platform. Written by the experts, The Java™ Tutorial Continued employs a hands-on, self-paced, example-driven approach. This book concentrates on JDK 1.2 APIs but is also useful for developers working with earlier versions of the JDK. The book is organized around the JDK™ and its components, and is divided into three parts:

1. The Java™ API Specification
2. The Java™ Tutorial
3. The JFC Swing Tutorial
