The Open Door: The Bradford Bilingual Project

Finbarre Fitzpatrick

The book "The Open Door: The Bradford Bilingual Project" by Finbarre Fitzpatrick is a comprehensive study on bilingual education. It explores the challenges and benefits of bilingual education in the Bradford area, focusing on the perspectives of parents and students. The book discusses the impact of bilingual education on language development and academic achievement, providing insights into best practices for bilingual education programs. It is part of the Multilingual Matters series, which is known for its contributions to the field of bilingual education and linguistics.
