The Secret World of Walter Anderson: A Biography of the Mississippi Artist

Hester Bass

The Secret World of Walter Anderson is a biography of the reclusive nature-lover Walter Anderson, who made his home on the Gulf of Mexico. The book tells the story of Anderson's life, from his childhood in Mississippi to his death in 1965. It is a fascinating story of an artist who found his inspiration in nature and created beautiful paintings of marine life.

The Secret World of Walter Anderson was written by Hester Bass, an author who has written several biographies of famous artists. The book is illustrated by E.B. Lewis, a well-known illustrator who has won many awards for his work.

The Secret World of Walter Anderson was published by Candlewick Press and was awarded the 2010 NCTE Orbis Pictus Award for Outstanding Nonfiction for Children. It is a great book for anyone who is interested in art or nature.
