Thura's Diary: My Life In Wartime Iraq

Thura Al-Windawi; Robin Bray

The diary, which documents the days leading up to the bombings, the war itself, and the lawless aftermath, puts a personal face on life in Baghdad. As Thura describes her life and that of her two younger sisters, she shows readers the many small acts of survival in contemporary Iraq. Thura's Diary is one of my favorite readings for defining moments in current events.

The days leading up to the war began with the chaos of the Saddam Hussein regime. Thura's Diary is her account of war's impact on Baghdad. Her diary is a window into the lives of civilians during this historic period. The diary is a survival log, documenting her and her family's physical and emotional struggles as Iraq's future changed overnight.

Thura Al-Windawi is a nineteen-year-old Baghdad girl during the 2003 Iraq war. Thura describes her life and that of her two younger sisters, she shows readers the many small acts of survival in contemporary Iraq.
