Vibration: With Control, Measurement, And Stability

D. J Inman

Frequency-Domain Vibration Control of Distributed Gyroscopic. 1.6 Measurement and Testing. 17 Stability 22. 1.8 Design and Control of Vibrations 24. 1.9 Nonlinear Vibrations 27. 1.10 Computing and Simulation in Vibration with Control 28. More about Machine Tool Vibration 29. International Symposium on Stability, Vibration, and Control of Vibrations 29. Two robust stability conditions are proposed for the flexible mechanical system, which is...
