LGBT Textbook Suggestions - UMBC

We Are Everywhere brings together the key primary sources relating to the politics of homosexuality. Tracing the evolution of the lesbian and gay movement, We Are Everywhere: A Historical Sourcebook of Gay and Lesbian Politics pinpoints gay and lesbian politics in history, urban politics, and identity and economy. This book is a great selection for those interested in understanding the development of the gay and lesbian movement.

Key sources include:
- "The Failure of the Gay and Lesbian Movement," by Mark Blasius and Shane Phelan
- "We Are Everywhere: A Historical Sourcebook of Gay and Lesbian Politics" by Mark Blasius and Shane Phelan
- "Queer Identities, Queer Politics: A Sourcebook for Gay and Lesbian Politics," by Mark Blasius and Shane Phelan
- "Sexual Identities, Queer Politics: A Sourcebook for Gay and Lesbian Politics," by Mark Blasius and Shane Phelan
- "Radical Theatrics: Put-Ons, Politics, and the Sixties," by Michael Chabon

These sources provide a comprehensive overview of the gay and lesbian movement, offering insights into the political, social, and cultural aspects of this important historical period.
