Whose Judgment Counts: Assessing Bilingual Children, K-3

Evageline Harris Stefanakis

EVANGELINEHARRIS STEFANAKIS

Whose Judgment Counts? empowers teachers with the skills they need to make informed assessments of bilingual children—examining social, linguistic, and cultural contexts. This book offers a framework for assessing bilingual children in grades K-3 and provides strategies for making informed decisions about their education. It includes case studies, anecdotes, and resources for teachers to implement effective assessment practices.

- Provides a comprehensive guide to assessing bilingual children.
- Includes case studies and anecdotes to provide real-world examples.
- Offers strategies and resources for teachers to implement effective assessment practices.

This book is a valuable resource for teachers, educational professionals, and anyone interested in the education of bilingual children.
