Your Flying Car Awaits: Robot Butlers, Lunar Vacations, And Other Dead-wrong Predictions Of The Twentieth Century

Paul Milo

Twentieth Century (Harper, 2009), told The Wall Street Journal earlier this month. Your creationist nonsense link is behind a paywall. In Your Flying Car Awaits: Robot Butlers, Lunar Vacations, and Other Dead-Wrong Predictions of the 20th Century, author Paul Milo discusses robot butlers, lunar vacations and other dead-wrong predictions of the 20th Century. The subtitle of the book
